

CV and Financial Disclosure of Board

Name: Anat Loewenstein

Curriculum Vitae:

Professor Anat Loewenstein is Chair of the Ophthalmology Division at the Tel Aviv Medical Center, and Full Professor of Ophthalmology, Incumbent of the Sydney A. Fox Chair in Ophthalmology, and Vice Dean of the Faculty of Medicine at Tel Aviv University in Israel. She is a well-known clinician and scientist in the field of Retinal Disease.

Professor Loewenstein also carries multiple international leadership positions. She is the General Secretary of the EURETINA board, is a member of the international committee in the Macula Society board, and was recently granted a Chair in the Academia Ophthalmologica Internationalis. She received many honourable awards including the "Rosental" award and "Patz" medal of the Macula Society. In addition, she also serves on multiple retinal advisory boards.

Professor Loewenstein's main areas of expertise are AMD (including early detection and automated technology for CNV detection), RVO, and the investigation of drug toxicity to the retina. She is the author of 300 publications in peer-reviewed journals, multiple chapters in books as well as textbooks in ophthalmology, and serves on several editorial boards, in addition to being the Editor of *Case Reports in Ophthalmology*.
